WALT DISNEY CLASSICS COLLECTION

2010 Suggested Retail Price List

THE WALT DISNEY CLASSICS COLLECTION is the only collection of fine animation sculptures created using the time-honored principles of Disney film animation. As a result, each sculpture captures all the emotion and magic of the unforgettable characters and settings created by Disney.

To earn their place in the Collection, sculptures are designed and reviewed by animators, sculptors and painters at the Disney Studios in Burbank, California. Countless materials, including character model sheets, storyboards, layout drawings, and original film cels are referenced during the creation of each sculpture. Many sculptures are "plussed" with metal, crystal or blown glass to further enhance the Disney "illusion of life." And each sculpture carries a signature backstamp with the production year mark (see back page) and comes with a Certificate of Authenticity imprinted with the signatures of Disney Archivist Dave Smith and Walt Disney Classics Collection Creative Director Dave Pacheco.

We hope you enjoy this celebration of the characters and settings that live at the heart of our fondest Disney memories.

Note: All prices are original suggested retail prices in U.S. dollars and availability is subject to change without notice; some suggested prices could not be estimated at the time of printing. **Bold items are active SKU's at time of this printing.**
